

Dosimetry Account Changes

Dosimetry Customers,

We understand that dealing with the current health and economic conditions can lead to changes in personnel and their roles in your organization.

This is a reminder that the deadline for deleting wearers or making corrections to wearers for the 4th quarter has passed. Please make sure and send us any requests needing to be made for 1st quarter dosimeters by **November 1, 2020** so we can make sure the necessary changes to the accounts are completed prior to the 1st quarter deadline.
